Corner Sentry™

The best protection for wall corners, vehicles, and your facility.

Absorbs and transfers impact

- The only corner protection device that truly absorbs and cushions impact
- Provides resistance and energy absorption yet retains shape after impact
- Soft exterior won't scratch vehicles and resists cracking for long life

Versatile and flexible

- Fits most 90-degree corner applications
- Ideal in parking garages, warehouses, material-handling facilities, or anywhere corners are exposed
- Unique tapered design maintains a low profile

Three easy installation methods

- Fastens with standard concrete bolts or screws
- Fastens with construction type adhesives
- Secures with available straps through integrated recessed grooves
