

AlturnaMATS MAT-PAK

Ground Protection Mats

This complete package is the handy way to transport and store your AlturnaMATS

AlturnaMATS virtually eliminate damage to lawns and landscaped areas and provide traction for vehicles operating in mud or sand.

Now AlturnaMATS are available in an economical package of 12 mats plus accessories and a convenient metal storage-skid rack. Mat-Paks are ideal for tree care, cemetery, and landscaping contractors where their need is to protect turf from vehicle damage. They are also perfect for well drilling, construction and manufactured housing where getting stuck creates major problems.

AlturnaMATS are backed by a limited lifetime warranty. They consist of 1/2 inch polyethylene and the Mat-Paks feature 4' x 8' or 3' x 8' mats with a non-slip AlturnaGrip surface tread. These tough mats are not effected by heat or cold and readily handle 120 ton loads.

Mat-Paks load from either end or either side

Money Saving Mat-Paks Consist of:

- 12 Sizes: 4' x 8' or 3' x 8' AlturnaMats Ground Protection Mats
- 1 Metal Storage, Skid Rack
- 20 Single Turn-a-Links
- 2 Handi-Hooks
- 2 Ratchet Straps

Just load the 12 mats onto your truck bed and you're set for making a nearly 50 foot "roadway" to the job site, or you can make a working platform for vehicles and personnel.

See reverse side for specifications and options

Metal Transport, Storage Skid Rack
Fork lift can enter from all sides
